2020 New Hampshire Funeral Home Cost Comparison Survey

Please Note:

- Not all available products are represented in this survey.
- Prices are subject to change at any time.
- Pricing is based on the lowest price found, with services as similar by category as possible. Call funeral homes to inquire about details.
- OPB (Other Preparation of the Body) usually includes dressing, casketing, and cosmetology.
- Transportation refers to moving the body from the place of death to the funeral home unless specified.
- Empty line items do not indicate that those products are not available; they may not have been listed on the General Price List (GPL). Call funeral homes to ask about services you wish to purchase.
- + indicates that this is a base price, with possible additional costs.
- * Direct Cremation costs may or may not include a \$60 Medical Examiner's fee.
- Service Corporation International (SCI Dignity brand) funeral homes are indicated in Notes.
- All efforts were made to procure GPLs from all New Hampshire funeral providers. Firms may contact us at any time to be added or to offer corrections and updates.
- We recommend confirming the prices and availability with the provider, as well as for information about additional services.
- To learn more about how to use this survey and to better understand what you are purchasing, please read *What to Expect When Funeral Shopping*, available on our website.
