Please note: The information for this chart was gathered from Town and City websites, which often do not include information that is specific to the appropriate office or contact person who is responsible for helping you to file for burial and cremation assistance. Try these numbers and email addresses first, and if not successful, contact the Town or City directly, either through the Town Clerk or the Selectman's Office, for direction in locating your Town's welfare officer. Also be aware that even though many public assistance offices post their office hours, it is important to call first to make an appointment in most cases.
